Top Oil and Gas Companies Capital Expenditure Outlook for Midstream and Downstream Segments in North America - Alaska Gasline Development Corp Leads Capex among Companies in Region

Top Oil and Gas Companies Capital Expenditure Outlook for Midstream and Downstream Segments in North America - Alaska Gasline Development Corp Leads Capex among Companies in Region

Summary

In North America, Alaska Gasline Development Corp (AGDC), Canada Stewart Energy Group Ltd and NextDecade Corp are the top three companies in terms of new-build capex to be spent on planned and announced projects across midstream and downstream segments (including petrochemicals) during 2018-2025. AGDC leads among all the companies with the highest capex in the gas processing segment while Canada Stewart Energy is expected have the highest capex on the liquefaction terminals.

Scope

- North America's new build capex by key companies across midstream, downstream and petrochemicals segments for 2018 to 2025
- North America's capex by key companies in each of the key segments across midstream, downstream and petrochemicals segments for 2018 to 2025
- Capex across midstream, downstream and petrochemicals segments for top 10 companies for 2018 to 2025
- Key planned and announced projects by capex for top 10 companies.

Reasons to buy

- Facilitate decision making on the basis of strong data about North America's new-build oil and gas capex
- Develop business strategies with the help of specific insights on North America's oil and gas capex outlook
- Gain insights in to capex spending patterns of key companies across North America's midstream, downstream, and petrochemicals segments
- Understand competitors' capex outlook across North America's midstream, downstream and petrochemicals segments.
